Motivation for the Intern Ship 100%

Confidence to pass the Intern Ship 65%

## Plan Plan to do today

make coding and improve catalog.

## Do Work you did today

- 1.improved catalog a lot
- 2.made coding a little
- 3.free chat with mentor Liu Xinghen

## See Success and failure of your work today

It's too slow for me to build fake data, but it's ok, I can finish needed work before demo.

## Note Other notes about your work

nothing, I still need to improve it and you will see my work soon.

## Today Anything you felt, etc.

Excited, the last day is coming. just hang on for one more day, great.
